IN MAN'S ATTIRE.—A telegram was received at the Washington police headquarters yesterday from Leesburg, requesting the apprehension of Miss Lizette Dove, who left her home in Leesburg Sunday and was thought to have come to Washington. The young lady is twenty-two years of age, and is said to be refined and pretty. She was attired in men's clothes when last seen, having provided herself with a pair of striped trousers, dark-blue vest, and a straw hat. Detectives called at once detailed on the case, and soon located the young man in the city. She appeared Monday evening at the residence of Mr. F. P. Russell, who lives at the Washington and Ohio junction. She was nearly exhausted, and said she had been nearly starved, having no money with which to pay railroad fare. She said her mother was dead and that her father was a drunkard. For some time she had been living with her uncle at Oakland, but he had recently decided to send her back to her father. She said she did not suit Miss father. The policeman did not suit Miss father. She concluded to strike out on her own for herself. Her reason for traveling in male attire was to avoid being insulted while on the country roads, and she says that whenever she met a man on the road she would avoid meeting him and perhaps be recognized as a woman. Mr. Russell cared for Miss Dove during the night, providing her with food and a bed, and the next day Mrs. Russell gave her a change of clothes. The young woman is now employed as a domestic in the family of a conductor on the Washington and Alexandria railroad living in this city. She says she is able to take care of herself and does not desire to return to Leesburg. The police of Washington did not interfere in the case beyond notifying the Leesburg authorities that the girl had been located and was in good hands.

PUBLIC SCHOOL FINANCES.—The annual report of the clerk of the City School Board for the fiscal year ending July 31st, has been prepared and will be submitted at the meeting of the board, to be held to-night. The report shows that during the year there was received from the State \$8,897.85; from the city \$13,000, and from the sale of old stoves \$10, making a total of \$31,907.85. There was expended for salaries of white male teachers \$2,000, white female teachers \$7,525, colored male teachers \$3,100, colored female teachers \$2,320—total pay of teachers \$14,945, clerk \$900, treasurer \$150, fuel \$800.11, repairs, furniture, etc., \$881.78, blackboards, etc., \$118.19, insurance \$169, janitors \$1,220, interest \$480, water rent \$80, crayons \$24, books, paper, etc., \$30.57, sundries \$75.37, amount paid treasurer due from last year \$261.33—total expenditures \$19,545.95, leaving a balance on hand of \$9,361.90. This is the first time for three years that the board has had a cash balance on hand at the end of the year. The board owes \$8,000 on account of building, etc., and about \$1,600 for furniture, while the buildings and grounds held by the board are valued at \$35,000.

POLICE REPORT.—Last night was clear and mild. Seven prisoners and two lodgers were at the station house. Mayor Strauss this morning disposed of the following cases:

Three merchants, arrested by Officer Smith for fighting, were fined, one \$5 and the others \$2.50 each.

John Booker, colored, arrested by Officer Sherwood for fighting, was fined \$2.50.

George Chichester, arrested by Officer Howson for assault on Willis Petty, was fined \$2.50.

Henry Miller, arrested by Officer Davis for being drunk and disorderly, was fined \$2.50.

W. D. Chichester, arrested by Officers Young and Griffin for being drunk and disorderly, was committed for further examination.

Walter Elzey and Samuel Conway, colored, for assault on Wm. Green, colored, were fined \$2.50 each.

COLUMBIA FIRE COMPANY.—The regular monthly meeting of the Columbia Fire Company was held last night at which the usual routine business was transacted. The old fire engine recently purchased in Washington by Mr. W. A. Smoot, president of the Columbia company, for that company, is being overhauled and the worn parts renewed. The engine will be gotten in order for use in the parade in Washington on Sept. 18th, next, on the occasion of the celebration of the centennial of the laying of the corner stone of the Capitol building, in which parade the company will participate. The engine has been named "W. A. Smoot," and it is said that when the repairs now being made are complete it will be as good as new.

THE MINSTRELS.—The famous Barlow Bros. Minstrels will give one performance in the Opera House next Tuesday night. The following is from the Denver, Colo., Journal: "The entertainment gave general satisfaction. The 'first part' was the finest ever seen here in point of costumes and stage draperies, and presented a scene of oriental magnificence. The music was first-class, and the vocalists would rank among the best ever heard anywhere. But Barlow Bros. have lost none of their old-time sprightliness, and are justly entitled to the high reputation which they have for years enjoyed."

DEATH OF MRS. GILLIS.—Mrs. Lydia Gillis, wife of Commodore J. H. Gillis, U. S. N. retired, died at her home in this city at 5 o'clock yesterday evening, aged fifty-seven. Mrs. Gillis was a daughter of James Alexander, of Allegheny City, Pa., and came from New Jersey to this city to reside last November. She was a sister of Mr. J. E. Alexander and Mrs. J. T. Crump, of this city, and had many friends and relatives here who will deeply regret her death.

GOOD TEMPLARS.—At a regular meeting of Talisman Lodge Monday night the following officers were elected: Chief Templar, Jas. E. Sampson; Vice Templar, Mrs. M. A. Markham; Secretary, Alvin Powell; Financial Secretary, Jas. R. Mansfield; Treasurer, Miss Stella Price; Chaplain, Miss Fannie Downs; Marshal, Wm. H. Carroll; Guard, Miss Daisy Moore; Sentinel, Miss Bettie Miller. These officers will be publicly installed next Monday night.

A marriage license was issued in Washington yesterday to Edward A. Hall and Maggie M. Herrell, both of Markham.

Miss Bessie Janney has gone to Atlantic City to spend a few weeks.

Miss Rosa Sherwood and Miss Emma Martin are visiting friends in Hamilton. Sister Secordia, of St. Peter's parish, Washington, is visiting her sister, Mrs. John T. Downey. Sister Secordia is a daughter of Mr. Daniel O'Sullivan.

Miss Lula Hester is visiting in Augusta county.

ACCIDENTS.—Edward L. Embrey, a brakeman on the W. & O. R. R., while coupling cars at Leesburg yesterday evening got one of his arms caught between two bumpers, and was badly mashed about the elbow. He was brought to this city where he was attended by Dr. O'Brien, the company's surgeon.

Wm. Sampson, a brakeman on the Midland road, had one of his ankles crushed this morning in the company's yard in this city while coupling cars. Mr. Sampson was standing on one of the bumpers and as the cars came together attempted to adjust the coupling pin with his foot. He was not quick enough, however, and his ankle was caught between the bumpers and badly mashed. He was attended by Dr. O'Brien, who thinks, however, that no amputation will be necessary.

WHITE CAP SHOT.—A gentleman from this city, writing from the Sweet Chalybeate Springs, says: "At the Sweet Chalybeate Springs about 11 o'clock Tuesday night, a man named Wiley shot and killed Mr. Beckney, the overseer of the Old Sweet Farm. Wiley has for some time been leading a rather bad life, and on Tuesday night a number of his neighbors organized a White Cap party, when Wiley fired into them with the above result, beside injuring another man. Wiley gave himself up and was carried to Union, as threats of lynching were freely made by the indignant residents of the Springs."

PROPERTY SALES.—J. K. M. Norton et al. have sold to T. F. Barre a lot at the northwest corner of Madison and Alfred streets.

A MYSTERIOUS CASE.—A telephone message received at this office to-day from Haymarket states that Jack McKuen, a well-known resident of that neighborhood, was found on the public road near Gainesville late yesterday evening badly shot. When found he was unconscious, and up to 12 o'clock to-day had not recovered sufficiently to give an account of the affair. Foul play is suspected.

The trial proves that all armor is not likely to be pierced on account of the angle offered the shot by the ship's rolling or unsteadiness, and that when a projectile strikes at an angle, either acute or obtuse, the chances are that it will break up and not enter.

ANOTHER DAY OF EXTRAORDINARY VALUES.

REMNANTS, TO-MORROW, FRIDAY.

This periodical visitor—"REMNANT DAY"—is a saving institution than which none better was ever planned calculated to save you money. We don't claim the benefit as all yours, however. We share it also. The "end in view," the object of this "REMNANT DAY" is to keep the stocks of the various departments complete, fresh and attractive. For instance in

Wrap, Suit, Glove, Boys' Clothing, UNDERWEAR, HOSIERY, and other departments where there is a regular line of sizes, the medium are generally sold first, and one or both of the extremes—very large or very small sizes—are left. Frequently we can't possibly duplicate the sizes sold; then the line is irreparably broken—incomplete. Rather than keep the remaining sizes from week to week and have them clog the stock we withdraw them, give them a low REMNANT price and sell them Friday. Then in China, Brice-a-brac, Stationery, Japanese and other departments goods will get scratched, soiled, muddled and otherwise defaced from one cause or another—these are also withdrawn from regular stock and marked with reference to cost. In BLACK GOODS, and

Colored Dress Goods, Lace, Ribbon, LINEN, UPHOLSTERY and other piece goods departments there are stacks of short lengths left every week, useful to you but not to us. These also are re-marked at very low REMNANT prices. So it is throughout the entire stock. Supplying as we do the wants and needs of thousands of our patrons daily leaves us, as a material consequence, piles and piles of such REMNANTS. Our only alternative is to get rid of them, and we realize that the only way to do it is to put very low prices on them. This we do.

Ask for REMNANTS at any department you may visit. You'll find them, and they'll cost you little enough.

JOINT RESOLUTION proposing an amendment to the tenth clause of Article 1 of the Constitution of Virginia, and providing for publishing said amendment, and certifying the same to the next General Assembly.

Approved February 19, 1892.

1. Resolved by the Senate and House of Delegates (a majority of the members elected to each of the two houses agreeing thereto), That the following amendment to the Constitution of Virginia be, and is hereby proposed, and is hereby referred to the General Assembly to be chosen at the next general election of senators and members of the House of Delegates for its concurrence, in conformity with the provision of section of article twelve of said constitution, viz: Strike out from the Constitution of Virginia the tenth clause of article one, which is in the following words:

10. That in all capital or criminal prosecutions a man hath a right to demand the cause and nature of his accusation, to be confronted with the accusers and witnesses, to call for evidence in his favor, and to a speedy trial by an impartial jury of vicinage, without whose unanimous consent he cannot be found guilty; nor can he be compelled to give evidence against himself; that no man be deprived of his liberty except by the law of the land or the judgment of his peers.

And insert in lieu thereof the following: 10. That in all capital or criminal prosecutions a man hath a right to demand the cause and nature of his accusation, to be confronted with the accusers and witnesses, to call for evidence in his favor, and to a speedy trial by an impartial jury of his vicinage, without whose unanimous consent he cannot be found guilty, but the General Assembly may, by law, provide for the trial of such cases by a jury of a man accused of a criminal offense not punishable by death or confinement in the penitentiary; nor can he be compelled to give evidence against himself; that no man be deprived of his liberty except by the law of the land or the judgment of his peers.

2. Resolved, That the clerk of the Senate or the clerk of the House of Delegates, or, if a vacancy happen in both of said offices, the presiding officer of either house of the General Assembly, be authorized and required to cause this proposed amendment and these resolutions to be published in one newspaper published in each of the cities of the Commonwealth having more than ten thousand inhabitants, once a week for three consecutive months previous to the time of choosing the members of the General Assembly at the next general election of Senators and members of the House of Delegates.

3. Resolved, That the clerk of the Senate and the clerk of the House of Delegates be required to transmit to the General Assembly, to be chosen at the next general election of senators and members of the House of Delegates, a certified copy of said proposed amendment and of these resolutions, together with certificates of publication by the publishers of the newspapers in which said proposed amendment shall have been published.
